Specialty Caramels

## *Simply Indulge*

### **Salted Butter Caramel Flakes** CSF24SB

Sweet & salty flavor | Rich color | Crunchy texture

**CARANESS Salted Butter Caramel Flakes** deliver superior color and texture, with flavor notes of caramelized sugar, a hint of salt and browned butter.

Create that extra layer of goodness by using them as a topping or an inclusion in a variety of decadent bakery (post-bake), confectionery and frozen dairy dessert/ice cream applications!

Simple and clean ingredients make all the difference with **CARANESS** – glucose syrup, sugar, sweet condensed milk, butter, water and salt. That's it and nothing else!

## Non-GMO / Kosher / Halal / Shelf Stable

Sethness Roquette continues to offer quality products through **decades of experience** satisfying our customers' needs in **bakery, confectionery, dairy** and many other applications in the food ingredient industry.

### Our CARANESS product line also includes:
